## DEPARTMENT OF AGRICULTURE

### Food and Nutrition Service

#### Emergency Food Assistance Program; Availability of Foods for Fiscal Year 2018

**AGENCY:** Food and Nutrition Service, USDA.

**ACTION:** Notice.

**SUMMARY:** This notice announces the surplus and purchased foods that the Department expects to make available for donation to States for use in providing nutrition assistance to the needy under The Emergency Food Assistance Program (TEFAP) in Fiscal Year (FY) 2018. The foods made available under this notice must, at the discretion of the State, be distributed to eligible recipient agencies (ERAs) for use in preparing meals and/or for distribution to households for home consumption.

**DATES:** Implementation date October 1, 2017.

**FOR FURTHER INFORMATION CONTACT:** Polly Fairfield, Policy Branch, Food

Distribution Division, Food and Nutrition Service, U.S. Department of Agriculture, 3101 Park Center Drive, Alexandria, Virginia 22302-1594 or telephone (703) 305-2662.

**SUPPLEMENTARY INFORMATION:** In accordance with the provisions set forth in the Emergency Food Assistance Act of 1983 (EFAA), 7 U.S.C. 7501, *et seq.*, and the Food and Nutrition Act of 2008, 7 U.S.C. 2036, the Department makes foods available to States for use in providing nutrition assistance to those in need through TEFAP. In accordance with section 214 of the EFAA, 7 U.S.C. 7515, 60 percent of each State's share of TEFAP foods is based on the number of people with incomes below the poverty level within the State and 40 percent on the number of unemployed persons within the State. State officials are responsible for establishing the network through which the foods will be used by ERAs in providing nutrition assistance to those in need and for allocating foods among those ERAs. States have full discretion in determining the amount of foods that will be made available to ERAs for use in preparing meals and/or for distribution to households for home consumption.

The types of foods the Department expects to make available to States for distribution through TEFAP in FY 2018 are listed in the table below.

#### Surplus Foods

Surplus foods donated for distribution under TEFAP are Commodity Credit Corporation (CCC) foods purchased under the authority of section 416 of the Agricultural Act of 1949, 7 U.S.C. 1431 (section 416) and foods purchased under the surplus removal authority of section 32 of the Act of August 24, 1935, 7 U.S.C. 612c (section 32). The types of foods typically purchased under section 416 include dairy, grains, oils, and peanut products. The types of foods purchased under section 32 include meat, poultry, fish, vegetables, dry beans, juices, and fruits.

Approximately \$184.4 million in surplus foods acquired in FY 2017 are being delivered to States in FY 2018. These foods include Alaska pollock, apples, applesauce, apple slices, beans, blueberries, cranberries, cranberry sauce, eggs, figs, grape juice, peaches, pears, plums, raisins, and turkey. Other surplus foods may be made available to TEFAP throughout the year. The Department would like to point out that food acquisitions are based on changing agricultural market conditions; therefore, the availability of foods is subject to change.

#### Purchased Foods

In accordance with section 27 of the Food and Nutrition Act of 2008, 7 U.S.C. 2036, the Secretary is directed to purchase an estimated \$288.8 million worth of foods in FY 2018 for distribution through TEFAP. These foods are made available to States in addition to those surplus foods which otherwise might be provided to States for distribution under TEFAP.

For FY 2018, the Department anticipates purchasing the foods listed in the following table for distribution through TEFAP. The amounts of each item purchased will depend on the prices the Department must pay, as well as the quantity of each item requested by the States. Changes in agricultural market conditions may result in the availability of additional types of foods or the non-availability of one or more types listed in the table.

**SUPPLEMENTARY INFORMATION:**

**Background**

On February 9, 2018, the Department  
of Commerce (Commerce) initiated  
countervailing duty (CVD)  
investigations on large diameter welded  
pipe from China, India, Korea, and  
Turkey.<sup>1</sup> Currently, the preliminary  
determinations are due no later than  
April 16, 2018.

**Postponement of Preliminary  
Determinations**

Section 703(b)(1) of the Tariff Act of  
1930, as amended (the Act), requires  
Commerce to issue the preliminary  
determination in a CVD investigation  
within 65 days after the date on which  
Commerce initiated the investigation.  
However, if the petitioner makes a  
timely request for a postponement,

<sup>1</sup> See *Large Diameter Welded Pipe from India, the  
People's Republic of China, the Republic of Korea,  
and the Republic of Turkey: Initiation of  
Countervailing Duty Investigations*, 83 FR 7148  
(February 20, 2018) (*Initiation Notice*).

section 703(c)(1)(A) of the Act permits  
Commerce to postpone the preliminary  
determination until no later than 130  
days after the date on which Commerce  
initiated the investigation. Under 19  
CFR 351.205(e), a petitioner must  
submit a request for postponement 25  
days or more before the scheduled date  
of the preliminary determination and  
must state the reason for the request.  
Commerce will grant the request unless  
it finds compelling reasons to deny the  
request.

On March 20, 2018, the petitioners<sup>2</sup>  
submitted timely requests to postpone  
the preliminary CVD determinations.  
The petitioners stated that the purpose  
of their requests was to provide  
Commerce with additional time to  
receive questionnaire responses from  
the respondents and to allow Commerce  
and interested parties sufficient time to  
analyze the respondents' questionnaire  
responses and request clarification and  
additional information, as necessary.<sup>3</sup> In  
accordance with 19 CFR 351.205(e), the  
petitioners stated the reasons for  
requesting a postponement of the  
preliminary determinations, and  
Commerce finds no compelling reason  
to deny the requests. Therefore, in  
accordance with section 703(c)(1)(A) of  
the Act, Commerce is postponing the  
deadline for the preliminary  
determinations to no later than 130 days  
after the date on which the  
investigations were initiated.  
Accordingly, Commerce will issue the  
preliminary determinations no later  
than June 19, 2018. In accordance with  
section 705(a)(1) of the Act and 19 CFR  
351.210(b)(1), the deadline for the final  
determinations of these investigations  
will continue to be 75 days after the  
date of the preliminary determinations,  
unless postponed at a later date.

This notice is issued and published  
pursuant to section 703(c)(2) of the Act  
and 19 CFR 351.205(f)(1).

Company, Berg Steel Pipe Corp., Berg Spiral Pipe  
Corp., Dura-Bond Industries, Stupp Corporation,
